

**Information and
support for those
affected by
childhood cataracts**

**Childhood Cataract
Network** is a small, parent
and patient led UK-based
organisation that provides:

- information on medical aspects of childhood cataracts
- parenting and education information
- the chance to get to know others affected by childhood cataracts
- links to sources of support, help and advice

Visit us online at:

www.childhoodcataracts.org.uk

**Join our email group
(open to patients and
families) by emailing:**

egroup@childhoodcataracts.org.uk

or online at:

<http://groups.google.com/group/childhood-cataract-network>

**If you need to contact us
by post, please write to:**

Childhood Cataract Network
C/O National Blind
Children's Society (NBCS)
2nd Floor Shawton House,
792 Hagley Road, Quinton
Birmingham, B68 0PJ.

**If you'd like to talk to
someone please phone
the NBCS on:**

01278 764 770

or email:

FamilySupport@nbcs.org.uk

Join us – It's Free!

Join on our website. Our membership is open to:

- parents and carers of children with cataracts
- friends and other family members
- young people and adults who've had childhood cataracts
- members of families who may be affected by inherited childhood cataracts
- those with a professional interest in childhood cataracts such as medical, educational, research, voluntary sector and social care professionals

Why join us?

We will send you our e-newsletter to let you know about news, events, what CCN is doing and how you can get involved.

Please only join by post if you are a patient or parent/carer and have no email access.

We are a small organisation with very limited resources, so we do not print and distribute leaflets. If you are able to print leaflets out, or record or burn the audio leaflet yourself, please do so.
